Dear Andrew,

On behalf of the students and staff at North Springfield Elementary School, I would like to thank you for your wonderful generosity to us. The staff enjoyed the tasty muffins that you brought to us as we were getting ready for the students to return to school. The ten back packs that you donated will be used for some of our very needy students. I appreciate your kindness to both our staff and students and I am grateful that you provide such a nice service for our students, as well.

With sincere gratitude and warmest regards,

Alice E. Alexander
Principal
North Springfield Elementary School
